

On June 3<sup>rd</sup>, 2005, the **agta record** group acquired 100% of the shares of its Scottish distributor (based in Glasgow), PREMIER Systems Ltd. and the assets of TEC d.o.o., its distributor in Slovenia (Ljubljana).

The turnover of these two companies was €10.37 million and €0.6 million respectively over the last financial year. They will be consolidated into the group accounts from June 1<sup>st</sup>, 2005 and should boost the 2005 turnover by €3.3 million.

The purchase price for PREMIER Systems Ltd. should amount to approximately €7.1 million after an earn-out in 2006 and 2007. The TEC d.o.o. assets were bought for €0.17 million.

The **record UK** and PREMIER Systems Ltd. companies will soon be merged. **record Slovénie** has been created to accommodate the TEC d.o.o assets.

These acquisitions will have a positive effect on the results of the current financial year for the **agta record** group.
